# THE EPIC FAIL LIST
## 30 Things That Drive People Away From Your Social Media Profiles

✓  Spam
✓  Negativity
✓  Hate
✓  Drama
✓  Bullying
✓  Complaining
✓  Presumption

✓  Sharing too much about personal life (i.e. on the toilet or cheating on spouse, etc.)
✓  Posting EVERYTHING you do all day long
✓  People CONSTANTLY posting about their home business

✓  Spewing an opinion before having all the facts
✓  Posting slanderous \ inappropriate things and claiming "Freedom of Speech"
✓  Picking Fights and hiding behind anonymity
✓  Dishonoring and belittling others, bringing them down instead of building them up
✓  Posting and Reposting news that isn't true, including rumors + hoaxes

✓  Lack of dialogue when you are seeking real answers
✓  Responses that go off-point and don't answer the actual question
✓  Lack of follow-up, especially when follow-up is expected or promised

✓  Political bashing
✓  Religious bashing
✓  People who claim to be Believers posting very non-Scriptural ideas

✓  Game invites

✓  Scams
✓  Fake gurus and experts
✓  People that pretend to be something they're not (lack of truth)
✓  People who friend-request all of someone else's friends that they don't even know

✓  Too much talking and not enough listening
✓  People talking about nothing important
✓  People not talking to each other face-to-face anymore, just using Social Media or texts
✓  The amount of time Social Media sucks away
